FOR IMMEDIATE RELEASE

## **Nortrax Northeast Expands Morbark Territory to Southern New England**

Winn, Michigan (August 13, 2009) – Nortrax Northeast, LLC, Morbark’s number one forestry and recycling dealer for the past two years, recently expanded its territory to include Massachusetts, Rhode Island and Connecticut (with the exception of Fairfield County). The expansion, effective July 2009, added three states to an already established territory of Maine, Vermont and New Hampshire.

Nortrax Northeast has been a steadfast Morbark dealer for 20 years. With excellent product support, as well as an extensive equipment and parts inventory, the southern expansion of Nortrax Northeast creates a favorable situation for customers. “We are pleased with the expansion of Nortrax Northeast and believe this will further enhance the level of service, support and availability of Morbark equipment in the northeastern United States,” comments Northeast Regional Assistant Sales Manager Michael Stanton.

Bud Iverson, Nortrax Northeast Morbark Manager remarks, “For two decades Nortrax Equipment Company has had the privilege of supplying Morbark equipment throughout the northern New England area and has strived to be the best dealer in the wood waste reduction field. We are very proud to have been given the opportunity to add the southern New England region to our area of responsibility. We very much look forward to meeting and working with all customers in the wood waste reduction and forest products industries, as well as continuing to serve customers we have already been doing business with in the past.”

**About Nortrax Northeast, LLC:**

Nortrax Northeast has six locations throughout Maine, Vermont and New Hampshire. In addition to providing the entire New England area with Morbark forestry and recycling equipment Nortrax Northeast also offers Morbark tree care equipment in Maine, Vermont and New Hampshire. For more information please visit [nortrax.com](http://nortrax.com). [Note: In Massachusetts, Rhode Island and Connecticut Morbark tree care equipment is handled by New England Equipment and Newtown Power. Please see [www.morbark.com](http://www.morbark.com) for a dealer locator.]

**About Morbark:**

Morbark, Inc., based in Winn, Michigan has been innovating and manufacturing durable, high performance equipment for the forestry, recycling, tree care, and sawmill markets for over 50 years. Morbark equipment helps customers harvest, process, and convert wood and other organic materials into valuable, useful and profitable products. The company produces a full line of Chiparvestors, flails, whole tree chippers, brush chippers, grinders and more. Visit [www.morbark.com](http://www.morbark.com) to learn more.
