FOR IMMEDIATE RELEASE

Morbark Announces New Dealer in Florida

Winn, Michigan (September 8, 2009) – Morbark, Inc. is pleased to announce that Nortrax Equipment - Southeast Region has recently joined its family of high-quality recycling and forestry dealers. The partnership, which became official in April, further expands the Morbark dealer network benefitting the many Morbark customers located in the southeastern region of the country.

With twelve locations serving central and southern Florida, Morbark customers now have a multitude of options for equipment sales, parts and service. Nortrax has hallmarked a reputation for great customer service. They feature outstanding facilities and maintain a highly trained and motivated staff that is looking forward to seeing customers and having the opportunity of showing them why they have a reputation that is second to none in customer service.

“Our constantly-expanding dealer network is a direct reflection of our growing market share around the country,” comments Morbark Southeast Regional Manager, Kevin Yuncker. “Having a new dealer of the caliber of Nortrax serving our Florida markets reinforces the message to grinder and chipper owners that Morbark and its partners represent the very best in the industry today and that we are committed to supporting our customers. We are proud to have such a dedicated and professional partner that our customers in Florida can depend on.”

Mike Festing-Smith, Nortrax Southeast Region Vice President remarks, “Our customers expect us to offer the best products and services in the industry and aligning with Morbark allows us to expand our offering. We are looking forward to continuing to build relationships with both new and existing customers as a result of this expansion.”

About Nortrax Equipment Company Southeast:

Nortrax Inc. is the largest John Deere dealership group for construction, mining, and forestry equipment in North America and extends across the eastern and central portions of the United States and Canada.
