FOR IMMEDIATE RELEASE

Nortrax Tennessee Joins Morbark Dealer Network

Winn, Michigan (September 14, 2009) – Morbark has recently signed Nortrax Equipment - Tennessee Region as an exclusive dealer of Morbark recycling and forestry equipment. The Nortrax branches in Tennessee will handle Morbark’s complete industrial product line including tub and horizontal grinders, whole tree chippers, chipparvestors and flails. Morbark customers in central and eastern Tennessee will now have greatly increased accessibility to Morbark equipment, parts and service.

“There are some tremendous benefits to be gained for Morbark customers by Nortrax and Morbark working together. We are looking forward to a long and mutually beneficial relationship between our organizations,” commented Morbark Southeast Sales Manager, Kevin Yuncker.

Marty Hlawati, Nortrax Vice President, Tennessee Region states, “With Nortrax becoming a full service dealer for Morbark, customers can now rely on us for even more product and product support needs. Contractors and forestry professional have come to expect our branches to be knowledgeable resources for their service, support, and equipment. We are excited to now include Morbark in that offering.”

Nortrax operates four branches in Tennessee: Chattanooga, LaVergne, Kingsport and Knoxville. With a knowledgeable and courteous staff Nortrax is committed to providing Morbark customers with first-class service.

About Nortrax:

Nortrax Inc. is the largest John Deere dealership group for construction, mining, and forestry equipment in North America and extends across the eastern and central portions of the United States and Canada.

More information about Nortrax is available at www.nortrax.com.

About Morbark:

Morbark, Inc., based in Winn, Michigan has been innovating and manufacturing durable, high performance equipment for the forestry, recycling, tree care, and sawmill markets for over 50 years.

Morbark equipment helps customers harvest, process, and convert wood and other organic materials into valuable, useful and profitable products. The company produces a full line of chipparvestors, flails, whole tree chippers, brush chippers, grinders and more. Visit www.morbark.com to learn more.
