FOR IMMEDIATE RELEASE

Morbark Expands Dealer Network to Alabama, Arkansas

Winn, Michigan (August 31, 2009) – Morbark is pleased to announce it has signed a dealer agreement with Warrior Tractor and Equipment, based in Northport, Alabama, to represent the recycling and forestry product lines in Alabama, Arkansas and three counties in Tennessee (Wayne, Lawrence and Giles).

Warrior Tractor currently operates twelve branch locations in Alabama and Arkansas. This agreement is a significant contribution to Morbark's commitment to support customers by expanding their service and support network.

Warrior Tractor will handle Morbark's complete line of forestry machines including biomass chippers, Chiparvestors and flails. They will also cater to the recycling industry with Morbark tub and horizontal grinders. Morbark chippers and grinders are well-known for their market-leading wood waste reduction technology.

“We feel that aligning the Morbark product line with an exemplary dealership will be a benefit for both companies and the customers being served,” remarks Patrick Andres, Morbark Western Regional Sales Manager. “We are looking forward to this new partnership.”

President of Warrior Tractor, Gene Taylor, agrees, “We are very pleased to be partnered with Morbark. We feel the Morbark line will enhance our current product lines in the forestry and recycling segments.”

About Warrior Tractor and Equipment:

Warrior Tractor and Equipment, in business over 42 years, is prepared to meet all the sales, parts and service needs of customers. Their parts and service departments combine highly skilled technicians with

experienced management, so each customer can be confident in services provided. In addition to Morbark, Warrior Tractor offers sales, parts, and service for John Deere, Hitachi, Sakai, Fuchs, Lull, Harlo, Talbert, Mantsinen, and Peterbilt Trucks. More information is available at <http://www.warriortractor.com> and <http://www.warriorark.com>.
